The petitioner is a stage carriage operator. By Ext.P4, his permit was converted to Limited Stop Ordinary service and allowed the variation sought by the petitioner. Pursuant to the orders of this court permit was issued with running time of 2.30 minutes per kilometer, whereas, according to the petitioner, for all other Limited Stop Ordinary services in the route Mannarkad-Palakkad in which the petitioner holds the permit, the running time fixed is 1.45 minutes per kilometer. In the above circumstances the petitioner has filed Ext.P7 petition before the appropriate authority and seeks a direction to dispose of the same expeditiously.

2. I have the learned counsel for the petitioner as also the learned Government Pleader.

3. In the facts and circumstance of the case,

there would be a direction to respondent to consider Ext.P7 request of the petitioner and pass appropriate orders thereon, as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment.

Writ petition is disposed of as above.
